

Welcome to the Eckerd Drug Quiz Show....

....and to our core curriculum.

All fifteen Learning Centers have been newly updated by acknowledged experts in the field.

They present accurate, age-appropriate drug abuse prevention information as well as important "Life Skills" young people need to be successful in today's challenging world.

We invite you to begin by reading the "Directions" page, and then the Learning Centers themselves.

Topics covered include:

Alcohol
Conflict Resolution

Decision-Making

Depressants

Feelings

General Information About Drugs

Grief

Hallucinogens

Marijuana

Self-Esteem

Steroids

Stimulants

Stress

Success

Tobacco
